## AST-CCs Scholarships For Engineering Students

### Scholarship Application

We will email only applicants who are approved to participate in the [AST-CCs Scholarships For Engineering Students](#). Upon approval, applicant will receive email with instructions on how to participate in the scholarship contest. This will occur within 3 business days after applying. Any attempt to contact us about application status outside of this application process will result in applicant not being allowed to participate in scholarship contest. This policy as well as this scholarship application are specifically designed to find independent problem solvers to participate, who will benefit the most from this **AST-CCs Scholarship for Engineering Students**. If applicant does have a question, they can post them to the [PLC Forum](#), so others can help.

Your Name
Your Email
School currently attending

*Name of postsecondary schools you currently attended. Use official school name, not abbreviation. Only college or vocational students accepted.*

Your School ID number
School address
